"You get what you pay for. The team are fantastic. Can't fault them one bit. Annabelle is so professional and attentive. You would never think she has lots of weddings to organise. I'm truly sad that the wedding is over, it was stress free from start to finish and that's down to the team. All I can say is Thank you!"

Mrs Christine Osborne

"My husband and i had Annabelle as our wedding planner and she made our day wonderful! She made sure we had everything we asked for and more!"

Mrs Laura Roberts (Layton)

"We had a lovely day and our wedding planner Annabelle was always at hand with every query or any info we wanted even with a broken leg! What a absolute credit to Southwood hall :)"

Mrs Kelly Mayes

"We fell in love with this venue from the very start- attention to detail and customer service is second to none The team are friendly and very accommodating with any request however big or small being no trouble at all These guys deserve every award going as THIS is how you do a wedding venue!!!"

Mr Ian O'Leary-Tompsett

"You are never in doubt that the whole Southwood team are fully committed to your big day. There is always someone available to reassure you when you are having a wedding wobble (whether venue related or not) & you really feel that they care. The team seem to have taken care of things before you even think of them (& you don't even notice it happening) whether the planning process or on the day itself. The chefs even came out to see us after our meal! Wouldn't have been the same without every one of them"

"From the initial meeting, Kayleigh took full but discreet co-ordination and control of our requirements. Anything we hadn't thought of was highlighted, and guidance was given on everything we should consider. On our day, the event manager and team were transparent in their professional and seamless work. Discretion was paramount, alert and identified any requirements before we or our guests asked for anything. With Kayleigh and her team, our day was full of love, laughter and celebration"

Mrs Tina Wilde (Johansen)

"All the staff we worked with at Southwood hall were so nice & friendly also they all made us feel relaxed & not stressed about the big day at all! Especially Eleanor Whitty she worked with us the whole way through our wedding we clicked so quickly & she truly is a lovely lady! thought was such a lovely thing to do. All I can say is Southwood hall is A-mazing!!"

Mrs Lisa Banham (sandell)

"The whole event team were so much better than we ever could have expected and wished for. Our day was not "traditional" and the whole team seemed to be well up for a different style. The team that were never seen on the day were all so happy and helpful too during setup and clear away, something you might not expect from the housekeeping, cleaners and everyone maintaining the venue."

Mr Luke Peek

"Eleanor was fantastic, always available during the planning process, and we feel certain our day would not have been as perfect as it was without her. From calming everyone's nerves in the morning to discretely helping my elderly grandparents collect their buffet meal. The rest of the team were just fantastic, we have had so many comments from family and friends about how efficient everyone was, organising the day, changing the barn from ceremony to reception venue and waitressing faultlessly."

Mrs Eleanor Nickerson-Smith (Smith)

"Kayleigh was our co ordinator and from the day we met her, all the way through to the day itself there was absolutely no faulting her. From the communication to all of the minor details and fine touches, nothing was to much. What we particularly liked was when Kayleigh had a day off or was busy with another customer annabelle and any other member of staff were happy to help and willing to give advice, whether that be over the phone, face to face or by email, they all cared and wanted to help!"

Mrs Laura Osborne (painter)

"As an event professional and marketing manager for a living we are both very organised as a couple and had high standards for a venue to meet, however Southwood Hall were so professional that we actually relaxed and it was a pleasurable experience planning our day. Kayleigh was happy to answer any email or phone call with questions and even entertained my nervous parents when they visited with their questions! On the day we both felt like we could relax as Kayleigh and the team were in charge."

Mrs NATHALIE BYE (PINCHER)

"We are so pleased that we decided to have our wedding day at Southwood Hall. We couldn't have asked for a more lovely team to help us plan our day. The team and our wedding co-ordinator (Eleanor) did everything possible to make sure everything was perfect and just the way we wanted it. They were so lovely and were very quick to reply and answer any questions we had. Also advised us if we were unsure about anything. They supported all of our idea's and helped put them altogether on the day."

Mrs Emma Holden (Catchpole)

"We were truly blessed to have met Annabelle Doig when we went to view Southwood Hall

in January 2014. We fell in love with the venue, and Annabelle instantly and booked our wedding there and then for June 2015. Throughout our year and a bit of planning, Annabelle was ALWAYS on hand to answer our silly questions and made us feel incredibly special like we were the only people to ever have used the venue. Our special day was truly made perfect by Annabelle and the rest of the team at Southwood."

Mrs Emilia Read (Doig)

"The team looked after us from start to finish and everyone we spoke to was friendly and helpful and nothing was too much trouble. I had complete trust that they would make our day special."

Mrs Victoria Smith

"We both completely fell in love with the venue when we were guests at a wedding there. From the very first preview visit to the wedding day itself the staff were incredible. I could not fault them and could not have planned our wedding with their expertise and assistance. Even down to having aftersun on standby when one of my bridesmaids got sunburnt on the day! It was the little touches like that which made me realise the staff go the extra mile. Outstanding and could not recommend enough."

Mrs Laura Morgan

"Our wedding coordinator and the rest of the events team were incredible. Attention to detail was perfect throughout the day and the planning, nothing was too difficult to organise. Whenever we had a question, big or small, the events team were in touch incredibly quickly to help answer any queries. We would recommend this venue and the management of the events team to everybody."

Mrs Kayleigh Tubb

"I cannot praise the staff enough for their help and support throughout the planning process and on the day. All staff were friendly and helpful. Our coordinator Kayleigh was always easy to contact and willing to help as much or as little as we needed. Our guests commented on how friendly and professional all the staff were on the day."

Mrs Rachel Ryan

"The Southwood Hall team were fantastic, we really couldn't fault them. Before the wedding there was always someone on the end of the phone or e-mail & we visited a number of times before hand. On the day the staff were around but never too much, to be honest I didn't notice them there. The chefs were brought out to meet us during the wedding breakfast which was a lovely touch. We really had the most perfect time and can not thank the Southwood Hall team enough!"

Mrs Laura Whitehair (James)

"From first stepping in the door too the moment we left as man and wife, the staff, venue and event were perfect! Perfect is a strong word, however, the staff became part of our

wedding family, the venue is elegant, beautiful and dreamy, and our wedding was seamless. Our ideas were taken on board and became an exquisite reality with what seemed no effort. I am truly grateful and proud to say we got married at Southwood and we both cannot wait to return! Thank you for everything!"

Mrs Victoria Taylor (Jacobs)

"Great day, beautiful grounds, the barn was set up for each part of our day without any interruptions, we didn't even notice things moving. Our host Eleanor and her team were perfect and were 'on it' 100% throughout the day making sure our day was perfect for us and our guests. They worked with our external suppliers like clockwork. The accommodation on site was epic, with so many of our loved ones able to stay onsite, and the garden folly was perfect."

Mr Craig Falco

"The team from the start were open to all our ideas and keen to help realise them. Their guidance and support was invaluable and without it we wouldn't have been able to achieve the day we had. The advice we received was excellent and always had our best interests/desires as a priority. Most venues we'd been to wanted us to fit their idea of a wedding and to fall in line with their 'plan'. The team at Southwood Hall only wanted to help us achieve our idea of the perfect day. Amazing."

Mrs Cara Barker

"We found the expert help from our coordinator annabelle fantastic, the venue was our dream and our ideas and vision were welcomed. We had the guidance we needed for elements we had not thought of and the planning stages were well organised. The whole team fully understood etiquette and i loved that, it made the day relaxed and guests feel special. All of of our guests without exception said how impressive the team were."

Mrs Nikki Lane

"The events team at Southwood Hall are amazing. Their organised approach took the pressure of wedding planning right away. They have everything planned perfectly to make the planning and day run smoothly. Their use of planning meetings and event plans were extremely helpful. We couldn't of asked for more."

Mrs Laura McAree (Brady)

"Annabelle was just fabulous from the very first meeting to the actual day, she became part of the family with her expert advice & support from start to finish. Never once faltered, she went above and beyond to help us create the perfect day, always on hand at anytime with advice & words of wisdom, & to keep me calm! She was so utterly professional, friendly & honest that I completely handed over all decisions to her on the day as She knew what I wanted & I trusted her to deliver!!"

"Event team were so friendly. Kept up to date with everything ever since booking 2.5years ago. Own coordinator had wedding plan with minute details about each part of the day. Was reassuringly around on the morning of the wedding to check everything was OK. All staff dressed very smartly. Venue was decorated exactly how I imagined. Such a helpful team whereby a different coordinator may respond to email query of they can answer in a quicker time."

Mrs Alison Fisher

"From the moment we arrived at Southwood hall we were made to feel welcome and at ease. Being allowed to take time to look around the venue on our own and visit As much as we needed was also very reassuring."

"We dealt with Kayleigh and Eleanor at Southwood hall, they were both so genuinely interested in our day and the build up. These girls are a credit to the Southwood hall team. They were both full of knowledge and ideas of how to bring the day together. Nothing was ever too much trouble and they made our day fantastic."

Mrs Mandy Pye

"Southwood made our wedding day perfect. Their attention to detail was second to none. The day was seamless and everyone commented on what a stunning venue it was. The venue is beautiful and catering options are amazing. Eleanor was always present during our day in the background to make sure everything was as we wished. The DJ kept people on the dance floor all night."

Mrs Paige Sutton (Westoby)

"Annabelle and the team were friendly and helpful from the first meeting. They were always flexible to see us when we were visiting the area as we were not living locally. They thought about every detail and made sure everything was carefully planned. The day went perfectly and the staff made us feel like our day was special even though they are hosting weddings every week."

Mrs Sarah Whitehead

"Every single member of staff were truly amazing and we know our day wouldn't have been as perfect as it was if it wasn't for them. Our wedding coordinator Eleanor was the most friendly, professional, helpful and caring person I think I have ever met. She felt like part of our family throughout our meetings and especially on the day, lacing up my dress and putting my garter on for me. We felt so relaxed on our day knowing the staff had everything covered as they were so organised and professional"

Mrs Becki Brown

"They were so lovely and helpful and nothing was no trouble. We live in Nottingham so had to commute to and from for our meetings but nothing was too much trouble for them and arranged it when most suitable for us. One of our guests wouldn't eat anything we had picked so they said they would do him some sausages instead. They are all so lovely and will treat you like family rather than clients and they make a lovely tea and biscuits."

Mrs Kirsty Cobbett

"I cannot thank Annabelle our wedding planner enough, she went above and beyond to help make our day special. Nothing was too much and everything we requested we got. She was on hand night and day for two years! But the whole team are exactly the same before and on the day. Simply the best, I recommended anybody to choose Southwood Hall just based on their staff."

Mrs Ricci Varley

"The event team were outstanding from our first visit to the end of our wedding day. The communication and planning was professional and completely tailored to our needs and wishes. Everything was so perfectly organised and executed on the day and all of the staff were friendly and fantastic at what they do."

They cannot do enough for you and the day went plain sailing because of their commitment and guidance throughout our wedding day. We would do it again in a heartbeat just to be alongside these guys and have them make the day for us as they did. Kayleigh was amazing and did everything she could for us from start to finish."

"Annabelle took time to get to know us as a couple throughout pre meetings. Paperwork helped guide us through any decisions needed to be made. Phone and email communication was easy throughout the 2 years preparation. On the day staff were fantastic. Annabelle helped in preparations and felt like part of the family, popping into the cartshed to confirm final decisions! All day changes to tables, DJ set up etc happened without being noticed. Staff were great all day, with smiles and attention!"

Mrs Abi Ford (Elliott)

Mr James Tinsley

"Annabelle was SO committed to making our day run to perfection, that she even did it with a badly broken leg. She totally amazing."

Mrs Kirstie Woodcock

"As we booked our wedding quite a lot in advance, we dealt with a number of the events team members. Every single one was a true professional who went out of their way to ensure your day was the one you had dreamed of. Nothing was left to chance, every detail was checked and thought about. We wanted a relaxed feel to our day and I can honestly say we didn't have to worry about a thing (other than the weather!) as Kayleigh had it all covered. Our day was all about getting married, not table decs!"

Mrs Claire Crosbie

"Annabelle was a dream to work with so supportive throughout could not have asked for more."

Mrs Aine Lincoln

"We couldn't have asked for a better wedding planner than Annabel Doig. From day 1 we felt completely at ease and she made the whole planning process so easy for us and took away any fear. Level of commitment doesn't even come into question as just weeks before our wedding Annabel had broken her leg and she still managed to make it in to meet us in her cast and crutches and spent the entire day on our wedding ensuring everything ran smoothly despite her injury."

Mrs Beckie Dinner (Abnett)

"The event team at Southwood Hall are fantastic. We had the pleasure of having Annabelle as our wedding coordinator, the service she offered was exceptional. She was always available to answer even our smallest questions and put at ease throughout the day. Accompanying Annabelle is possibly the hardest working team i have seen, Not once was anyone standing around, everyone was always 100% polite. Anything we asked was done quickly and efficiently. We were both relaxed throughout our wedding,"

Mrs Tim Perryman

"Our dedicated wedding coordinator, Kayleigh, was absolutely exceptional from our first meeting, right through to our wedding day. She offered an extremely personal and friendly service whilst remaining professional throughout. She made us feel extremely relaxed about the whole thing, which is very important during a process which can be stressful. She helped make our vision a reality, but also offered suggestions where we were unsure of what we wanted. Nothing was too much trouble for Kayleigh"

Mrs Alexandra Bloom (Miller)

"Southwood Hall staff have been fantastically helpful, supportive and professional from the start of the planning. A particular thanks goes to Annabelle. Nothing has been too much trouble for her and she has kept track of our plans, helping to reassure and make it happen without putting any pressure on. On the day the staff ran things so well I genuinely felt I could leave it to them and relax, which made all the difference. Taking our decorations down for us the next day was a massive help."

We really appreciated all of the guidance and support we received, and it allowed us to have the utmost in confidence that the day was going to be a success - and it definitely was. I can't speak highly enough of the smooth and efficient (and very personal) way they do things at Southwood."

"If I could give them 1000/10 I would. I can not find a single fault with any aspect of our wedding and that is honestly down to all of the staff and in particular our coordinator Annabelle. They go above and beyond and then some to make your day the best it can be. They are on hand almost 24hours a day for any questions or just a friendly ear and a coffee when stress kicks in. Family and friends are still talking about it. I couldn't of asked for anymore. They are truly the best there is!"

The venue and staff were nothing less of perfect, the customer service we received was incredible and my wedding was like a dream come true. Why They Booked (in random order)

"The style of venue fitted in with our theme. I am a country girl at heart so knew I wanted a venue like Southwood. Our ultimate reason for booking though was the staff including the events team and caterers. Other venues were on par in terms of looks and location, but the extra mile the staff go to help their brides and grooms is priceless."

Mrs Laura Morgan

"The moment we walked in we were greeted with smiles and they never stopped. They are honestly the nicest group of people you could ever wish to meet. Nothing was ever too much trouble. Planning a wedding can be daunting but the team are so helpful and they really do want you to have the best day. From the chefs to the bar staff and Annabelle, I cannot thank the team enough and I cannot put into words how perfect they made our day. We will never forget any of them and all they did for us that day and leading up to it. They turned my dream into a reality and I will be eternally grateful for all the memories we have because of that. The 28th February 2015 will be remembered as not only the day I married my best friend and soulmate but as the most perfect day solely thanks to them. Family and friends are still talking about how lovely everybody was and how well it was run. Going to each planning meeting was like visiting old friends and I left feeling like a huge weight had been lifted off my shoulders and with jaw ache from all the giggles. There is not a single bad word I can say about any of them. Me and my husband feel so lucky to be able to say we had our wedding at Southwood Hall. From the bottom of our hearts thank you! You are truly the most amazing team and you should be so proud of what you are achieving. The barn itself is beautiful but you guys make the experience what it is. Thank you x"

Mrs Shelley Hales (Long)

Mrs Victoria Taylor (Jacobs)

"From our very first visit to Southwood Hall we fell in love not only with the venue but with the people that we met. We were keen for our guests to experience the warm welcome and friendly atmosphere that we had experienced. Their response to our enquiry was very speedy and informative. There was so much information available to us both via email response and also on their comprehensive website. They were very upfront on pricing and not at all pushy-just interested in our plans. We wanted to do something slightly different and get married outside in the gardens and they were very knowledgeable on the legalities of the ceremony and were able to offer advice that ultimately made our dream come true. They were very flexible and enthusiastic about our ideas which is not something we had experienced at other venues we visited. They also helped us with recommendations for other very reliable, professional and high quality suppliers."
